LED BALLOON LIGHT TOWER

About SOVELA

A Philosophy of Long-Termism: Engineering for the Extremes

Since 2006, SOVELA has been a premium One-Stop ODM Solution Provider in industrial LED lighting. Driven by Long-Termism, we focus on upward product evolution—engineering customized, high-performance luminaires for the world's most demanding environments.

About the Products

SOVELA V4.0: REDEFINING THE TOWER LIGHT

Built on a decade of expertise and 14 months of rigorous R&D, the SOVELA 4.0 architecture re-engineers temporary lighting. We don't just deliver lumens; we deliver total operational security.

THE 6 CORE SYSTEMS

BEYOND HARDWARE. BEYOND ILLUMINATION.

We refuse to be mere movers of metal and electrical components. True innovation lies in orchestrating a complete ecosystem of trust. By integrating advanced ODM capabilities with an uncompromising understanding of extreme environments, SOVELA transcends traditional manufacturing. We deliver end-to-end lighting solutions that protect lives, endure the harshest elements, and keep your site running when it matters most.

SOVELA: Your Ecosystem of Safety, Reliability, and Solutions.
